Regarding CUP 2021-0005 Olympic Systems Properties,,
Clallam County Fire District 3 submits the following Comments

We are requesting answers to the following questions be provided by the Applicant:

1. Will the facility be accepting household hazardous waste ?
2. If so, in what maximum quantities ?
3. Will household hazardous waste be kept on site outside of normal operating hours ?
4. Will storage containers or structures for household hazardous waste be placarded in accordance with National Fire Protection Association Standard 704 ?

Thank you for soliciting our comments
